1.6 BUDGET SUMMARY

The total budget for Chama Town Council is K70.8 million. This is spread among the following Programs: Constituency Development Fund, Local Governance, Integrated Development Planning, Economic and Business Development, Public Health and Environmental Protection, Housing and Community Amenities, Recreation Culture and Religion, Public Order and Safety, Management and Support Services, and Resource Mobilization and Revenue Management. The allocation was based on the best fit rationale to ensure implementation of the Local Authority mandate. The total budget has increased by 9.8 percent. This is largely attributed to the increase in CDF from K25.7 million to K28.3 allocation.

The Chama Town Council budget seeks to improve collection efficiency of the current revenue sources by improving the communication of information to business owners through sensitization programs, construction of Barriers houses at two Check points and by employing effective means of revenue collection such as all payments to be paid through the bank for areas in the CBD.

HEAD 8801CHAMA TOWN COUNCIL

Under 20 percent Capital projects, the Council plans to procure a motor vehicle and a motor cycle to enhance effective revenue collection and mobilization especially in far flung areas. The Council further plans to continue with the renovations at Luangwa North Lodge including a bar and a swimming pool to increase own source revenue base. In addition, the Council plans to construct a SOMAP Shop to boost the revenue.

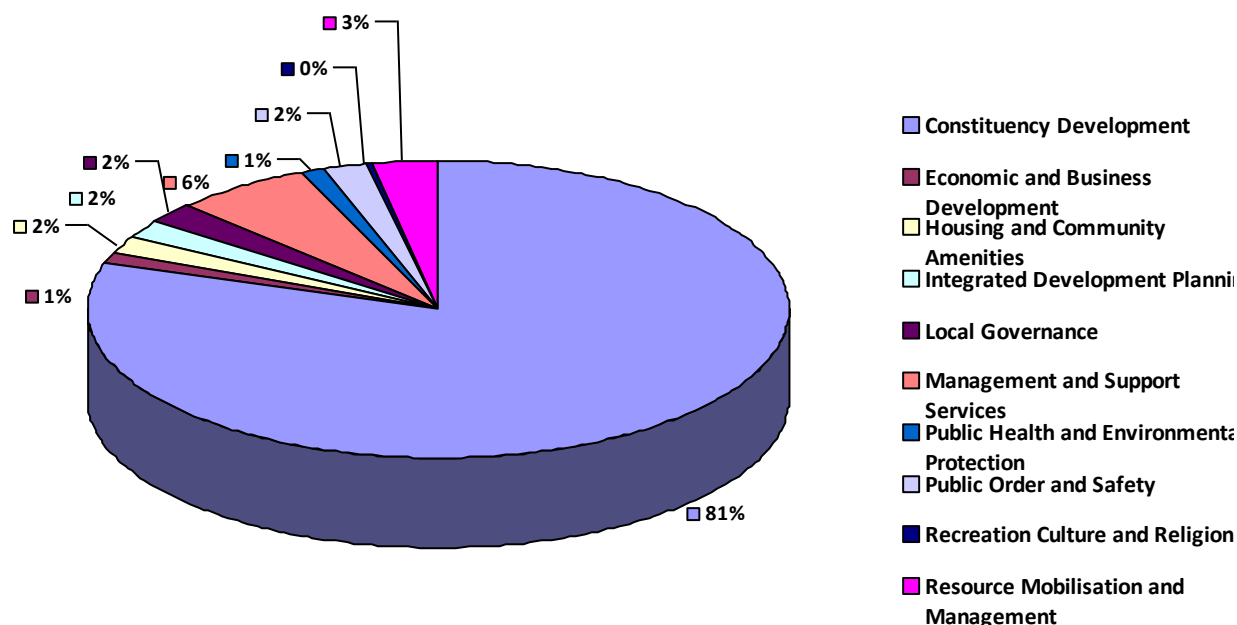

The total budget of K70.8 million will be raised from the following identified revenue sources; Local Revenue with a total of K2 million (broken down into local taxes amounting to K76,845.00, Fees and charges amounting to K656,754.21, Levies amounting to K354,740.00, Permits amounting to K98,600.00, Licenses amounting to K31,625.00, Service Charges amounting to K350,000.00 (from the sale of the recently advertised plots) and other incomes (Profits from commercial ventures; North Luangwa Lodge, Block making as well as ZESCO Wayleave) amounting K484,368) and Government Support through Local Government Equalization Grant and Constituency Development Fund amounting to a total of K68.2 million.

Figure 1: Budget Allocation by Programme

HEAD 8801CHAMA TOWN COUNCIL

The budget allocation by programme shows that 56.7 Million representing 81 percent has been allocated to the Constituency Development Fund programme. This programme is focused on community infrastructure development which includes water points, schools, health facilities, police posts, feeder road network, market shelters and crossing points to address the challenges of inadequate infrastructure.

Further, the programme will facilitate for Women and Youth empowerment to foster economic development. And lastly it will facilitate for the education and skills development through bursaries for Secondary schools and tertiary institutions respectively.

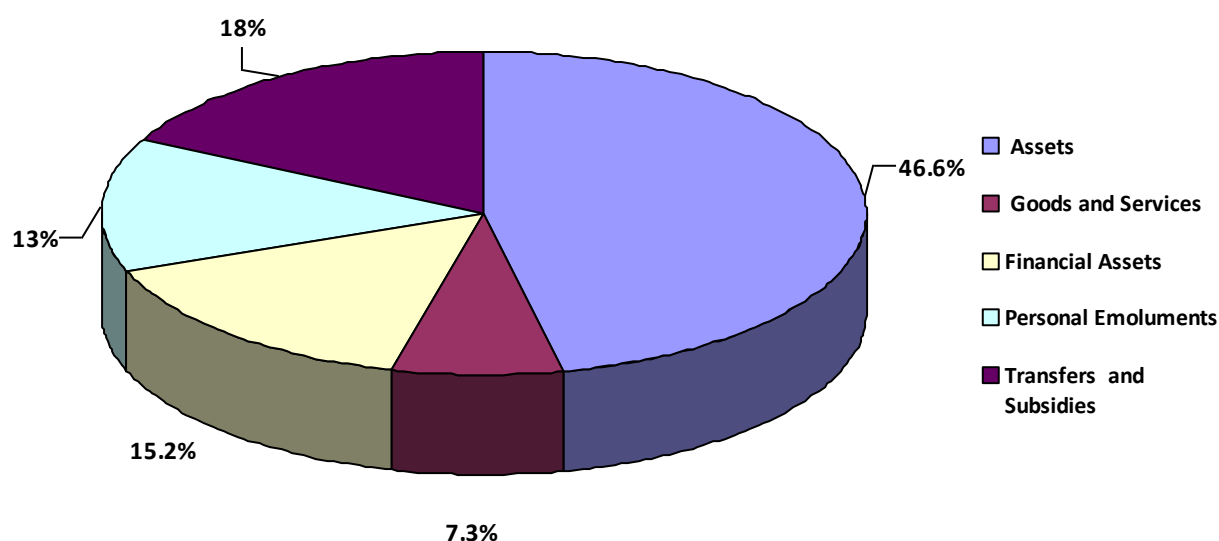

K4.5 million accounting for 6 percent has been allocated towards Management and Support programme

aimed at improving the staff welfare, the integrity of the institution through credible audits and integrating other

support services such as efficient procurement of goods and service as well as salaries for some senior members of staff. K2.3 million has been allocated to Resource Mobilization and Management accounting for 3.3 percent to ensure the Council improves in own source revenue. In this budget programme, the Council has envisaged to complete the North Luangwa Lodge to enhance revenue. Further, the Council plans to ramp up production of blocks to boost revenue. It is also envisaged that three Barrier houses shall be constructed to improve the barrier infrastructure. All these are aimed at increasing own source revenue.

* Budget Expenditure as at 30th June 2023

The first programme, Constituency Development Fund which is a combination of the two constituencies (Chama North and Chama South) has been allocated a total of K56.7 million which is spread among the following Sub-Programmes; Community Projects K35.2 million, Empowerments (Women and Youth, Loan) K10.7, Secondary School and Skills Development Bursaries K10.7 million. These are aimed at improving the social economic status of the district as well as improving the basic public infrastructure which in turn will upscale the service delivery. Local Governance Programme has been allocated K1.6 million. This programme will ensure that all Council meetings are held and Councillors monthly allowances paid.

To coordinate proper development, emphasis has been placed on Integrated Development Planning which has been allocated a total of K1.2 million. This will facilitate the numbering and surveying of plots to ensure that residents are empowered with plots for continued district development. Further, it will facilitate building plan scrutiny, formulation of HIV/AIDS and Gender policies and DDCC meetings to enhance a well coordinated district development agenda.

Economic and Business Development has been allocated an amount of K750,000 to procure a utility vehicle to address the challenges of transport which has limited the Council's ability to fully execute its mandate especially in the lines of licensing and inspections.

Public Health and Environmental Protection has been allocated K864,724 under the following sub programmes Health Inspections (430,964), Pest Control (K60,960), Solid Waste Management K 352,000), and cemetery and funeral services (K20,800).

The council will ensure that all premises that need to be inspected with in accordance with the Public Health act are done professionally. To ensure that solid waste is collected timely and effectively, the Council will procure additional wheel bins and other requisites.

Housing and Community Amenities has been allocated a total of K1.4 million under the following

HEAD 8801CHAMA TOWN COUNCIL

sub-programmes namely; Public Housing (K949,690), Roads and Drainages (K184,839), and Street lighting (K258,991). The sub programmes will ensure that the Council delivers quality services in developing and maintaining a pristine environment. The Council will rehabilitate an existing structure to be used as a SOMAP shop for the sale of borehole spares. To enhance safety, the Council will repair 30 solar street lights which have been vandalised by the public. The Recreation Culture and Religion programme has been allocated K48,494 in the following sub programmes; namely Sports Promotion (K48, 494), . The programme will ensure the implementation of various disciplines of sports are promoted and talent harnessed for further promotion and development.

Public Order and Safety programme has been given an allocation of K1,3 Million with the allocations being distributed in two sub-programmes namely; Fire Protection services (K621,775) and Community Policing (K728,248). It is envisaged that the programme will enhance the safety and improve public order making the district a haven of investment. Management and Support Services has been allocated an amount of K4.5 million which is spread among the

following sub-programmes; Human Resource and Administration (K2.7 million), Executive management (K 696,044) Procurement (K280,696) ,Auditing (K314,154) and Accounting Management (454,428). This will support the overall management and administration of the Council and ensure all operations are in place.

The last programme is Resource Mobilization and Revenue Management which has been allocated a total of K2.3 million which is spread among the following sub-programmes; Revenue Mobilization (K571,898), Revenue Enhancement (K899,353), and Revenue Management (K785,334).

This programmes is aimed at maximizing the revenue collection of own source revenue and enhancement and innovation of new own source revenue avenues.

HEAD 8801CHAMA TOWN COUNCIL**BUDGET PROGRAMMES****Programme 0001 :** Constituency Development*Programme Objective:*

To facilitate equitable development, reduce poverty, support job creation and provide for vulnerable learners to access Secondary Boarding Schools and Technical Education, Vocational and Entrepreneurship Training Institutions.
